NOTICE OF LOCATION AND DESIGN APPROVAL NH000-0057-01(010); FANNIN COUNTY P. I. Number 621340- Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project. The date of location and design approval is: September 13, 2017 This project is wholly within Fannin County, Georgia, located in Land District 8. This project proposes to widen the existing SR 5 in Fannin County, Georgia, beginning just north of the intersection with SR 2/SR 515, in Blue Ridge, and ending approximately 8.3 miles north, near the intersection of Old Flowers Road. The proposed project would widen SR 5 to four lanes (12-foot outside lanes & 11-foot inside lanes) with a 14 foot center turn lane from SR 2/SR 515 to McCaysville Industrial Drive. The project would then transition to two 12-foot lanes to match the existing pavement ending at Old Flowers Road. Outside shoulders would be 10-feet wide (6.5 feet paved). Bridge culverts over Sugar Creek and Little Sugar Creek will be extended. Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation: Jeremy Scott, Area 2 Engineer jescott@dot.ga.gov 1313 North Tibbs Road Dalton, GA 30720 (706) 272-2211 Any interested party may obtain a copy of the drawings or maps or plats or portions thereof by paying a nominal fee and requesting in writing to: Kimberly W. Nesbitt, State Program Delivery Administrator Georgia Department of Transportation Office of Program Delivery Attn: Nebyou E. Negash nnegash@dot.ga.gov One Georgia Center 600 West Peachtree Street, NW, 25th Floor Atlanta, GA 30308 (404) 631-1577 Any written request or communication in reference to this project or notice SHOULD include the Project and P. I. Numbers as noted at the top of this notice. Sept. 20-Nov. 11 #373058
